it means something
better is coming.
Always believe that.**

wait for you to be
okay. Get up,
carry your
burden and
keep going.”**

GOD, I NEED YOU

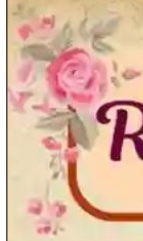

Every day, every moment, every second, as long as I am breathing.

I need You. I cannot face this world alone. You are the only reason I have made it this far!

I pray that You will never let go of my hand in the year 2025.

If you feel that God has been protecting you since your birth, take a moment to thank Him.

Amen!

God, I need You in my life,
without You, I am nothing.
You are the reason why I am
still breathing. You are my
strength, my light and
my salvation. I pray
that You guide me
towards Your eternal
love and watch over
me, my friends, my
family, and my
loved ones. If God
is important
in your life,
DECLARE AMEN
